3533

CIVIL 96-2443CCC

2

The Court APPROVES and ADOPTS the Magistrate-Judge's recommendation that the PSC's attorneys' fees be funded by one-third (33.33%) of the privately agreed contingent fee contracts between each attorney and his or her client.¹

The Court APPROVES and ADOPTS the Magistrate-Judge's recommendation that no percentage be assigned to the attorneys' fees of the State Insurance Fund. The same recommendation made as to the attorneys' fees of Integrand Assurance Company (Integrand) is REJECTED, however. The PSC shall receive one-third (1/3) of thirty-three percent (33%), i.e. eleven percent (11%), of the settlement or judgment awards received by Integrand.

The Court APPROVES and ADOPTS the Magistrate-Judge's recommendation that five percent (5%) of the total settlement award per case be set aside to cover the expenses incurred by the PSC in litigating this case, that an escrow account be established for said purposes, and that upon proper verification of all claims presented disbursements be made as soon as practicable. This fund will also serve to reimburse all individual lawyers, including PSC members, for the contributions the lawyers made at the beginning of this litigation. Any monies remaining after payment of all expenses shall be returned to the individually retained attorneys for plaintiffs (IRPA's), proportionate to the total of his/her contribution.

SO ORDERED.
